WANDERING | 畫跡

Artist Statement | 藝術家自述

Immersed in traditional arts and music from a young age, I realized my deep calling for artistic expression — especially painting — after stepping away from the corporate world to study interior design in London — a journey that revealed space as a natural extension of the self. Establishing my own studio marked an intuitive shift from figurative representation toward abstract expression.

For me, painting is both a form of meditation and a way to navigate the unknown. The works in this exhibition distill personal travel experiences, childhood memories, musical rhythm, and imagination into fluid lines and subtle color palettes. They depict a soul in motion—free, wandering, and open to what lies ahead.

Wandering is not aimless drift; it is a conscious movement inward.

— Susanna

我自幼熱愛琴棋書畫，意識到自己渴望繪畫創作，終於在離開企業界後於倫敦修讀室內設計；並體會到空間是自我的延伸。有了藝術工作室以後，逐漸從具象轉向探索抽象表達。

畫畫本身，幫助我更好應對生命中的未知，也是我冥想的一種方式。這次展出的作品，大多來自我四處遊歷的體驗，也交織著童年的記憶、音樂學習與創作所帶來的感受，以及我自己的想像。我將這些轉化為色彩與線條，試圖表達一個流動中的靈魂 ——自由、遊蕩、向未知敞開。

「畫跡」不是漫無目的游蕩，而是在流動中靠近自己。
